Master Bath

Experience Entertainment

- Masterfully designed
- Celebrity Chef bar seating
- Intimate and expansive
- Luxurious and functional
- Sweeping nature vistas
- Tremendous art walls
- Two story grand windows
- Glass bannister cat walk

Entertainer's lifestyle dream home.

Masterfully designed to include everything necessary to make intimate and grand entertaining enjoyable, this bespoke contemporary custom estate brings comfortable Tuscan luxury to California wine country. At the epicenter of the grounds, a custom wood burning oven fills the patio with irresistible smells and the tangible warmth of socializing with your family and friends. Enjoy the lush greenery of the mature gardens overlooking the expansive rolling greens of Fountaingrove Golf Club.

The luxurious master suite provides a private retreat with a fireplace, immense walk-in closet, double sink island, spa tub and generous shower finished in black marble, travertine and mahogany. Skylights add undulating light while small square decorative windows draw attention to the soaring ceilings throughout the upper level. East light floods in the two story living room windows with an arched transom reflecting the gracious grand scale entrance. A lengthy glass banister catwalk overlooks the wide swath of natural light.

The Community

- Private and protective
- Friendly and respectful
- Nature loving
- Gracious living
- Quality lifestyle

Sitting Room

Formal Dining Room

Bespoke professional chef's kitchen simultaneously intimate and grand.

The custom commercial kitchen with 3 Elan ovens, commercial dishwasher, Kysor walk-in cooler, open pantry flanked by two room length chopping block prep counters leaves nothing to be desired. Perfect for cooking for friends around the Italian Granite island or serving a formal dinner to 75 besties. Storage for 5000+ bottles in a climate controlled wine cellar with multiple closets for china and crystal complete the commercial grade facilities. Dramatic rounded room with decorative accent windows and cove lighting is a perfect office, library or sitting room. Massive front deck wraps around seamlessly to back yard and overlooking Pinot Noir vines, organic garden, olive and oak trees.

Four additional guest suites and open office overlook mountains, gardens, golf course and vineyard. A custom built home that leaves nothing to be desired. Designed and built to impress the most discerning entertainer. Beloved by celebrated chefs and other event producers, the grand yet livable scale of this home will entertain intimate and extensive groups harmoniously.
