Light Filled Open Floor Plan Living

Situated above gently rolling hills lined with picturesque homes, parks and tree-lined streets this view-centric, light filled home majestically showcases the natural beauty surrounding it. Sunsets over the Pacific Ocean bathe the Golden Gate Bridge towers, St. Ignatius, the ocean and Marin Headlands in ever changing light.

You'll want to be home to watch the sunset, curl up in front of the fireplace as the fog rolls in, or binge watch the latest series from Netflix in the media room. Take a walk to Cole Valley for Sunday Brunch and invite your family and friends to be your guests in the expansive guest suite.

With room to grow and the flexibility to customize how you choose to use these generous, light filled rooms, you will treasure not only the luxury of living here, but the security of an investment built for a lifetime of enjoyment.
