Pacific Heights Metropolitan Life Style

Elegant, contemporary Pacific Heights view condo. Flooded with natural light from South and East-facing windows. Corner unit features an open floorplan with spacious split bedrooms. Master bedroom faces south, and includes a sunny private patio, an ensuite bathroom and ample storage with walk-in closet. Roomy second bedroom with ample closet space and lovely window-nook overlooking city skyline. Oversized second bathroom with limestone countertop and flooring; and shower over tub.

Airy kitchen with granite countertops, cherry wood bar and cabinetry, stainless-steel appliances. Hard-wood floors throughout the public rooms, cozy carpeting in the bedrooms. Modern open floor plan with integrated living/dining room and floor to ceiling corner windows. In-unit washer/dryer and deeded 1-car parking.

Bedroom with City Skyline View.

Spacious Master Bathroom.

Turnkey Professionally Managed Property

Stunning city skyline views from this 7th floor corner unit make this an excellent investment whether it is your primary residence, pied-e-terre or rental property. Take in Russian Hill, Nob Hill and even the tip of the iconic Transamerica Pyramid to the east. Relaxing view from the private patio includes the lovely heated aqua swimming pool, lush grounds with manicured palms, ferns and flowering trees, and even the trees atop Lafayette Park. High floor unit ensures a quiet, serene space.

Numerous amenities include fitness center, swimming pool, hot tub and courtyard. Pet-friendly building, twenty-four-hour security and professional facility maintenance keeps this property secure, neat and clean. Central Pacific Heights location close to shops, casual and fine-dining restaurants, banks, schools, parks and transportation.
